Municipal Budgetary General Education Institution

Secondary School No. 10

Nizhnevartovsk

# NVSU and Secondary School No 10: Forms of collaboration

- NVSU students take practical training at Secondary School No 10
- Senior NVSU students serve as trainee teachers at Secondary School No 10
- Joint Laboratory for Spiritual and Moral Development and Education Technologies at Secondary School No 10
- Program of “Sociocultural Roots” at Secondary School No 10

# Research and Methodology Laboratory for Spiritual and Moral Development and Education Technologies:

## Joint work outcomes

- Methodology support for teachers implementing the “Sociocultural Roots” Program
- Diverse further training courses for teachers
- Methodology seminars and master classes for teachers, educational psychologists, social workers and other educators
- “Source of Ideas”, a city competition of methodological works and projects for educators working in compulsory and supplement education (March 2016)
- International Research and Practical Conference “Culture. Science. Education” (February 2016), session for Spiritual and Moral Development and Education
- Testing of an original diagnostic tool to monitor educators’ success on the implementation of the “Sociocultural roots” Program in Nizhnevartovsk compulsory education and supplementary education organizations
